 7 documenting the presence or absence of injuries.

8 (2) Cause the physician or technician who removes the part to
 9 explain in a signed record the condition of the part, including
 10 the presence or absence of any injuries to the part or any
 11 surrounding tissue or organs.

12 (3) Provide a copy of the record described in subdivision (2)
 13 to the coroner and the investigating law enforcement agency.

14 (4) Cause the physician or technician who removes the part to
 15 photograph, collect, preserve, and maintain the appropriate
 16 chain of custody of any evidence that is found during
 17 procurement.

18 (5) Cause the physician or technician who removes the part to
 19 collect blood and other bodily fluid samples as directed by the
 20 coroner or designee.

21 (6) Cause the physician or technician who removes the part to,
 22 upon the request of the coroner or designee, photograph,
 23 biopsy, or provide any other information and observations
 24 concerning the part or body that would assist in the
 25 postmortem examination.

26 (i) If a coroner or designee must:

27 (1) be present at a removal procedure under subsection (f); or

28 (2) perform duties at times other than those that are usual and
 29 customary for the coroner or designee to maximize tissue or
 30 eye recovery under IC 29-2-16.1-21(b);

31 at the request of the coroner or designee, the procurement
 32 organization that requested the recovery of the part shall
 33 reimburse the coroner or designee for the additional costs incurred
 34 by the coroner or designee to comply with subsection (f) or
 35 IC 29-2-16.1-21(b)."
